HAHS *is active...*

With lease agreement in hand, it is final!!! We are moving. Our space in the Cultural Center (the old Library Building) is ready for occupancy.

We will be sharing the facilities with the Hattiesburg Arts Council and the Historic Hattiesburg Downtown Association. These two organizations will be located on the top floor, while HAHS will occupy the bottom floor. The Museum will be on one side of the hall way and the work and research area will be on the other.

Volunteers are need. We need folks to help pack and label boxes, get displays ready to move and reassemble. And we need trucks and trailers. Ursula Jones is

heading up the moving committee. If you can help in any way, please contact the Museum, Jacq or Ursula.

When all the items are moved, there will be a lot of work to do getting things setup in the Museum and work areas.

We will also need Docents (volunteer worker) to help out on a regular basis. We will have to maintain certain business hours, since this is a public building. If you would be willing to work (even one day a month), please contact the Museum. Remember the society and Museum is an all volunteer organization, we have no paid workers.

We are excited about our new location, plan to come by and
