 Center: From W. 4th St. turn S.
 on Sunset Drive, 1st Bldg. on
 right. Parking behind and maybe
 next door.

**HATTIESBURG
 AREA HISTORICAL SOCIETY,**

Organized in 1970, is non-profit. Membership is open to all but not required to participate and enjoy HAHS activities which include a one room Museum with changing exhibits.

HAHS uses local history to promote good citizenship and community improvements. History is related to subjects of current interest through exhibits, tours, programs, demonstrations, lessons, and publications. Activities are held at various places of unusual interest.

Current projects include: Cataloging the Society's permanent collection of photographs, books and historical memorabilia; Preservation and Restoration of THE LEAF riverboat relic; Publication of Area History with a Family Section; and Tour Promotion.

The Society conducts HERITAGE TOURS, arranges and/or provides guides for special tours, presents programs to groups, and serves as an information source.

HAHS MUSEUM is located in Hattiesburg's downtown Nationally Registered Historic District and is staffed by volunteer members.

HAHS is a member of:

- Mississippi Historical Society;
 - The Society of Mississippi Archivist;
 - Mississippi Museums Association;
 - National Trust for Historic Preservation;
 - Historic Preservation Forum;
 - Hattiesburg Chamber of Commerce;
 - Hattiesburg Downtown Association
- and is listed in the recently published
 Mississippi Museum Directory.

Nominal dues and donations are HAHS primary financial support for a year round program. The quality of this program is enhanced by your membership and volunteer time.
